# Small Animal Anesthesia CE

## Welcoming back Donna M. Sisak CVT, LVT, VTS (Anesthesia/Analgesia)

Donna has 36 years in the Veterinary profession. Her first five years were spent gaining hands on experience in small animal hospitals in Pennsylvania. From there her love for the veterinary profession and passion for teaching led her to academia and the Matthew J. Ryan Veterinary Hospital - University of Pennsylvania upon graduating from Harcum College, Bryn Mawr, PA in 1991. At Penn she satisfied her "drive" to perform top medical care to patients AND her "desire" to educate which led her to obtain a VTS (Anesthesia/Analgesia) in 2006. For the last 13 years Donna has been immersed in specialty medicine at Seattle Veterinary Specialists/Bluepearl fulfilling her role as VTS (A/A) providing in- house and regional training. Donna is an enthusiastic member of the ELANCO professional speaker panel, involved in educating and advocating for safe anesthetic/analgesic care. Her longevity and passion for the profession make her a great champion for patients and veterinary technicians/nurses.
